CONVENTION BUREAU

## WHY COPENHAGEN – BECAUSE IT IS ICOPANHAGEN!

Copenhagen, the capital of Denmark, is a truly charming city with a distinct Nordic, cool style. It is clean and safe, and famous for its prizewinning architecture, new Nordic gastronomy, and green environment with numerous bicycles.

Copenhagen is easy to reach from all corners of the world. Copenhagen airport has non-stop flights from 165 international destinations and more than 4.000 weekly departures. The city has an outstanding infrastructure, everything is close, and there are more than 22.000 hotel rooms in all categories.

Bella Center Copenhagen is the optimal congress venue for ICOPA XV. It is situated only 5 minutes from the airport and 9 minutes from the city centre, and has an impressive track record of hosting high-level international events.

## KEY POINTS

### WHEN

Sunday 21th of August to Friday 26th of August 2022.

### WHO

Two well-organized and active WFP member societies, the Danish Society for Parasitology (DSP) and the Scandinavian Baltic Society for Parasitology (SBSP), are highly experienced in organizing congresses.

Organizing committee with 12 members from different fields of parasitology has both enthusiasm and experience for the task.

The selection of Letters of Support in the bid illustrates the extensive local, regional and international support ICOPAnhagen already has.

### HOW

We emphasize exciting and high-quality scientific program, diversity and inclusion, and transparency and professionalism in the organizing. Our proposed theme "Living with Parasites" covers parasitology sensu lato and brings it closer to every-day life.

ICOPAnhagen will be a global event that will attract a high number of delegates.

# WE HOPE TO SEE YOU IN COPENHAGEN IN 2022

We are looking forward to welcoming you to Europe, Scandinavia, the capital of Denmark, which used to be called Copenhagen but is now better known as ICOPAnhagen. The previous ICOPA was in the Americas, now we meet in Asia, and in 2022 it is time to enjoy Europe!

We will do our utmost to ensure that ICOPA XV will be a success, and that each delegate will have an exceptional and unforgettable visit. ICOPAnhagen will be an ICOPA to remember.
